

George Bairstow Charitable Trust

Fundraising News – September 2015

We have several enthusiastic runners taking part in events this autumn to fundraise for GBCT, who follow hot on the heels of Suzi Pegg who completed the London Marathon for GBCT earlier this year. You can read more about Chris, James and Laura below, you can also follow their progress via GBCT's Facebook page.

Well done Suzi!

Suzi Pegg completed April's London Marathon in an impressive time of 4 hours and 52 minutes, raising over £1200 for GBCT. Since April Suzi's employer, Vodafone, have also pledged a significant donation to GBCT.

Run or Dye—September

James Grant will be running and dodging the paint in Portsmouth. James, who is a new comer to running events, has been training hard to take on this colourful challenge to fundraise for GBCT in memory of George. Support James at: mydonate.bt.com/fundraisers/jamesgrant2.

The Royal Parks Half Marathon—October

GBCT will be well represented at this autumn's event.

Laura Gilbert is running the Royal Parks Half Marathon as part of Herrington and Carmichael's (H&C) support for GBCT in 2015. H&C is the firm of solicitors which Maria Bairstow worked at up until her retirement earlier this year. You can support Laura via her My Donate page: mydonate.bt.com/fundraisers/lauragilbert1

Chris Monk is a GBCT Trustee and has also set himself the challenge of running the Royal Parks Half Marathon in memory of George and to fundraise for GBCT. Whilst Chris can comfortably pass the annual bleep test required of St John Medical Response Team members, running a half marathon has required rather more training! Visit Chris's page to support him: mydonate.bt.com/fundraisers/chrismonk1
