

George Bairstow Charitable Trust

Newsletter 8

It's not just the summer that's been baking - so have GBCT supporters! In May GBCT ran its second annual Cake Bake, and the baking brilliance was no less impressive than first.

Why not get more involved in GBCT? As we continue to expand, we're looking for supporters who would like to join our Fundraising and Outreach Committee.

The GBCT Cake Bake 2016

Our annual Cake Bake is inspired by George's love of baking. Once again we saw some brilliant bakes that have both raised funds for GBCT and also developed awareness of our work with a wider audience - including Australia!

Our love of baking also extends beyond the 'official' Cake Bake week, so if you're holding a Bake at any other time of the year then do get in contact, we'd love to see your baking brilliance too!

Volunteer with us

Why not get involved with the Trust on a flexible basis? Help us with fundraising, community outreach, first aid awareness or just supporting charities in your community.

Whatever skills or ideas you can bring, they would be welcomed. Just email info@gbct.org.uk and we'll send you more information.

About the Trust

The Trust aims to empower local communities to make a difference, by supporting:

- The provision of Emergency Aid
- Volunteering among young people
- The enhancement of skills among young people
